**Program outcomes, program specific outcomes and course outcomes for all programs;**

The UG programs are offered with a specific outcome pertaining to the employability in view. They offer the basic qualifying degrees to the students for the most Government positions, Banking sectors and corporate sector. They also open the gateway for the professional programs like CA, CS, ICWA and many more. The students obtaining the Bachelor's degree of BA or B Com can also get employment in the local business hubs.

The students opting for the optional course in computer in BA program enjoy value addition in terms of the employability.

Most B Com pass outs are generally taken up by the local business and industrial houses. The students opting for the value-added Tally certificate program offered by the Institution can earn handsome packages through outsourced work. They are taken up by the local business and industrial houses.

The PG programs are offered with a specific outcome pertaining to the employability in view. They offer the basic qualifying degrees to the students vying for the positions in the HEIs and speciality positions. They also open the gateway for the students for the doctoral programs.

The Distance Learning Programs offered by Dr. BAOU are introduced at the Study Centre run by the Institution. They address the growing demand from the society and facilitate the need of the aspirant youths who are unable to attend the regular classes. In 2017-18, 90 candidates had enrolled at the centre of the Institution for various Distance Learning Programs offered by Dr. BAOU.
