2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

2 5 2 Reforms in Continuous Internal Evaluation (CIE) System in 2019-20 The Institution has a Continuous Internal Evaluation (CIE) System in place which is strictly in accordance to the Gujarat University norms and subject to reforms. The Institutional Reforms in the Continuous Internal Evaluation (CIE) System are as under: 1) Prior to the introduction of the CBCS by the University in 2012-13, the Institution had adopted a unique pattern of the Weekly Tests in the Continuous Internal Evaluation System but it was discontinued from the academic year 2012-13. 2) As part of the Reforms, the Institution reintroduced the pattern of the Weekly Tests instead of the single semester end tests in the Continuous Internal Evaluation System from the academic year 2016-17. Each student was required to appear at least two out of the three weekly tests of each paper. 3) In view of the weekly test pressure on the learners, the Institution had decided to scrape the weekly test pattern and reintroduce the semester-end examination pattern from the year 2017-18. 4) The University has given liberty to choose any one or more modes of Continuous Internal Evaluation (CIE) System from written tests and/or assignments/projects and so on. Our Institution has adopted the hybrid method of written tests and assignments in the CIE System. 5) Our Institution follows also the University norm which allows a teacher to give him a maximum of five marks to a learner based on his overall performance, regularity and behaviour in the respective subject during the semester. 6) In the re-introduced semester-end examination pattern, a student has to take semester-end examination of each paper in addition to the submission of the assignments of each paper in the respective semesters. 7) Those who missed any of the semester-end examinations, were given the opportunity to appear at the remedial/extra tests in the respective papers. 8) The submission of assignments and appearing at the semester-end examination form an obligatory part of the Continuous Internal Evaluation System of the Institution. 9) The Continuous Internal Evaluation System carries the weightage of 30. 10) Students' objections are addressed by the Examination Committee in a systematic way. 11) Those who are caught in any type of malpractices during the written tests face punitive actions.

5.3.2 – Activity of Student Council & amp; representation of students on academic & amp; administrative bodies/committees of the institution (maximum 500 words)

5 3 2 - Activities of the Students Council in 2019-20 Activities of the Students Council, Representation of students on academic administrative bodies/committees of the Institution. Every year, the Students Council is formed, strictly as per the University Guidelines, purely on the merit basis, with the Head of the Institution as the ex officio chairman. The toppers at the University Examinations of the preceding years are made the CRs of the respective classes. The College topper at the Semester 4 University Examinations is made the GS of the council while the topper among the girls is made the LR. The CRs are assigned the task of addressing the issues pertaining to their respective classes while the LR takes care of the girl students' issues, if any. The GS is made ex officio member of the IQAC for the year. Generally, 3 to 4 meetings of the Council are held during the academic year. The students' representatives play an active role in sorting out the students' issues' if any, the decision-making process of fixing the schedule of the internal examinations and various events like interclass completions, Annual Function and study tours. Need based meetings of the Council are also held. The members of the Students Council also play a supportive role during various programs organized by the Institution. As per the convention of the Institution, the four programs were held at the behest of the Student Council in 2019-20. 1) Induction-Welcome Program for the freshers on July 20,2019 2) Teacher's Day on September 5, 2019, the GS performed the role of the Head of

the Institution. 3) Garba program during the Navaratri on October 04, 2019. 4) Annual Function and Farewell Program for the Semester - 6 students on March 9,

2020.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

5 4 1 The Alumni Association Engagement in 2019-20 The Alumni Association of the Institution has been registered since its inception and actively playing a supportive role for the benefit of the current students. The activities of the Association for the year are decided at the Meetings of its executive committee which comprises of the president, vice president, a secretary, a treasurer and committee members. The Head of the Institution happens to be ex officio president of the Association. A faculty functions as the co-ordinator. Two-fold membership of the Association is available, viz Annual and Life time. While the Annual membership fee is Rs. 100/, the one-time life membership of the Association is Rs. 500/. In 2019-20, for some unknown reasons, no new past students became the life time members of the Association so the total of the life time members remained 135 only. Two Meetings of the executive body of the Alumni Association were held in 2019-20 on 06-07-2019 and 29-02-2020. The Report card is presented at the AGM of the Association during which the members also present a cultural program on the campus. In July 2019, the Association had arranged tree plantation in Naroda. In August 2019, the Association had arranged a special drive to train the students for various sport events and Youth Festival of the Gujarat University. The Alumni Association played a supportive role during the Three-fold celebrations of the Republic Day on the Campus on January 26, 2020. Around 20 past students served as invigilators during the University examinations held on the campus.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

6 1 1 - Two practices of decentralization and participative management in 2019-20 Most events in the Institution during the academic year are organized on the basis of the decentralization and participative management. To ensure the decentralization and participative management, various committees are formed in June every year and each faculty is made a member of one or more committees as per his aptitude and choice. Two practices of decentralization

and participative management in 2019-20 are as under 1) Interclass competitions in kho-kho - boys and girls - and cultural activities are held generally in August every year. Class/subject wise teams under the mentorship of respective members of faculty are prepared for these competitions. Each faculty takes care of preparing teams of the class/subjects assigned. To ensure the participative management, each faculty is assigned to handle all the affairs of one of the competitions. Besides the active participation of all the faculty and administrative staff, over 1200 students participate in these events. This mega event is one of the two practices of decentralization and participative management in the Institution. This proves beneficial during the University Youth festival as each faculty is assigned a specific event during the University Youth Festival. The faculty takes care of every aspect of the event, from preparedness to participation. 2) The celebration of the Republic Day happens to be a signature event that mark the decentralization and participative management in the Institution. Every year, the following three different events are held simultaneously during the celebrations of the Republic Day 1) The Tricolour Flag Hoisting 2) Blood Donation Camp 3) Cultural program. To ensure the decentralization and participative management, each faculty is assigned a specific task in the mega event. The members of the Students Council also ensure the participation of maximum number of students in the events. The Eco Club and NSS volunteers ensure the smooth conduct of the Tricolour Flag Hoisting and Blood Donation Camp. Besides, the members of the academic and administrative staff, the Alumni over 1000 students participate in these events. Thus, the celebration of the Republic Day happens to be the second of the two practices of decentralization and participative management in the Institution.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	 Curriculum development The Institution or the individual faculty of the institution has no direct role to play in Curriculum development as this is the prerogative of the BoSs of the respective subjects. Six of the faculty members (Dr. Ramesh J Chaudhari, Dr. MG Prajapati, Dr. Suresh Patel, Dr. MJ Viradiya, Jagdish V. Anerao and Manoj Parekh) happened to be the members of the BoS of their respective subjects during 2019-20. They became instrumental in designing, revising, improving and developing the curriculum of their respective subjects.
Teaching and Learning	 2) Teaching and Learning 1) Teaching and Learning happens to be an outstanding feature of the Institution because of extensive use of the ICT and strict adherence to the academic calendar. 2) The time table is set in a way that no learner can roam free

	during any of the lectures. 3) All
	classrooms have the LCD projectors to felicitate the use of the ICT. 4) The faculty have been provided with the
	laptops to ensure the use of the ICT.
	5) Proxy lectures are arranged when the
	respective faulty is on leave. 6)
	Remedial coaching is arranged for the
	Semester 1 slow learners in English. 7) Star Batch introduced by the Hindi
	Department has paid to the quality
	enhancement. 8) Co-curriculum
	activities are held in order to expand
	the comprehension of the learners. 9)
	Members of the Faculty are allowed to
	participate in the FDPs, STCs and
	Seminars for quality improvement.
Examination and Evaluation	3) Examination and Evaluation 1) Examination and Evaluation procedures
	are conducted strictly as per the
	University norms. 2) Examination and
	Evaluation procedure is totally
	transparent. 3) Students are given the
	internal assessment marks based on
	their performance at the internal
	examination, attendance and submission of the assignments. 4) Punitive actions
	are taken against any form of
	malpractices by the students. 5) The
	results are uploaded on the
	institutional website within the
	stipulated time. 6) The students' objections are addressed within the
	stipulated time. 7) The University
	withholds the results of those who fail
	to clear the Internal Examinations
	until they clear the Internal ATKT
	through the remedial examinations held
	by the Institution.
Admission of Students	4) Admission of the students 1) As
	all admissions at the entry levels of the UG and PG programs are available
	online on the merit basis only, hence
	no scope for the Institution to
	introduce any change in the system. 2)
	The institution strictly follows the
	online admission procedure of the
	University and the reservation policy of the Government. 3) In order to bring
	in total transparency in the admission
	process, the Management has surrendered
	its quota to the University.

7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

7 1 2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives in 2019-20 1) As suggested by the IQAC in June 2018, Eco Club was formed in July 2018 in the Institution to sensitize and create awareness for conservation of our environment. The Club undertook activities including tree plantation, awareness for cleanliness and waste management, minimal use of plastic, promotion of use of the public transport and vehicle sharing. 2) Six of the staff members have started vehicle sharing to attend the duties. 3) Dr. Suresh P. Patel, a faculty uses bicycle instead of a petrol vehicle to attend the college every day. 4) All students, faculty and administrative staff are sensitised towards the motto of 'Save water, save power', hence in order to prevent the wastage of water and electricity, we allow no leakages in the water pipe lines and taps and switch off all lights and fans when their use is done. 5) In 2019-20, the tree plantation activity was undertaken by the NSS, Alumni and Eco Club on campus and off campus. 6) The Institution encourages minimum use of the plastic carry bags on the campus and campaign for the same during the NSS camp. 7) The Institution is run by Shri Naroda Kelavani Mandal and so all decisions in view of the infrastructure and alternative energy generation are taken by the Mandal. The Mandal has initiated actions towards alternative energy initiatives by way of installing the solar pant panels for electricity generation, on the roof tops of the school building, which happens to be a part of the campus. The Mandal will install the solar pant panels on the roof tops of the other buildings by stages. Thus, our Institution will also have its own solar pant in near future, as an alternative energy initiative.

7 1 7 - Initiatives taken by the institution to make the campus eco-friendly in 2019-20 (at least five) 1) Solar panel installed for power generation on the rooftop of a building in the campus. 2) 'Save water, save electricity' policy

is followed by all the stakeholders on the Campus. 3) A faculty uses bicycle every day to attend duties. 4) Good area covered with tree plantation which is taken care of and well maintained. 5) Minimal use of plastic encouraged on the neat and clean college campus.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

7 2 1 -Two Institutional best practices in 2019-20 The two institutional best practices in 2019-20 are as under 1) Blood Donation Camp on the Republic Day It has been an unbroken practice of the Institution to celebrate the Republic Day on the campus with three events on the Campus ? the ceremonial Tri-colour flag unfurling ? a cultural program by the students ? a Blood Donation Camp at the behest of the NSS department The Blood Donation Camp has today become a signature event of our Institution. It is held at the behest of the NSS department in collaboration with the Lions Club. The Red Cross team undertakes the procedure of testing and collection of the blood.Students, staff and the Alumni of the Institution as well as the members of the society overwhelmingly respond to the call for blood donation. This year on January 26, a record number of 310 units of the blood was collected that made our Institution instrumental in saving the lives of many. Alongside of the Blood Donation Camp, we also conducted the General health check-up for all the stake holders. Dr. Suresh Patel, the HoD, Hindi donated bloodfor the 30th time which makes the Institution proud. Similarly, Rahul, an Alumnus, also regularly donates blood on demand. 2) The Eco Club The Institution started the Eco Club in July 2018, following a suggestion made at the IQAC Meeting held on June 30, 2018. It is an open, informal and voluntary forum for the students and the staff of the Institution. The prime aim of the Eco Club is to sensitize and create an awareness for the conservation of our environment. The volunteers of the Club take a pledge to protect and conserve the environment in various ways. A faculty is assigned the task of conducting and co-ordinating various activities of the Club in co-operation with others. Generally, the members of the Club meet twice a month after the lectures are over. In 2019-20, the Club undertook the activities of Campus cleansing drive, tree plantation and conservation, awareness for minimum use of plastic, tobacco-free campus, waste management, promotion of use of public transportation and vehicle sharing. The Club also collaborated withthe NSS Department in the Campus cleansing drive, tree plantation in July and holdinga rallyin Naroda area on January 24, 2020, for the awareness for blood donation and conservation of our environment. Six of the staff members started sharing vehicles to attend their duties honoring the call given by the Club in 2018-19.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

7 3 1 - The details of the performance of the institution in one area distinctive to its vision, priority and thrust in 2019-20 The Vision of the Institution is To impart quality education for the all-round development of the learners, to equip the learners to address the challenges of the modern times. The Institution offers Computer course as an elective subject in BA in order to equip the learners with the e-literacy. This course also enhances their chances of employment. The Institution has by and large ensured that the performance of

the Institution matches to the Vision. In order to impart quality education, all the members of the faculty have been using the ICT in the classroom teaching. All the members of the faculty have been provided with the laptops and all classrooms are equipped with the LCD Projectors. The Strategy In view of quality enhancement, skill development and qualitative improvement in the students' performance at the University examinations, thrust was given on theextensive use of ICT in Teaching and Learning as a special feature of the Institution. All members extensively use the ICT in classroom teaching. Besides, they also encourage the learners to explore online platform. For the all-round development of the learners and to equip the learners to address the challenges of the modern times, the Institution arranges six day on-campus Cooperative Training program for employability and skill development. Students were encouraged to get admitted in the on-campus program. In all, 100 students are registered for the six day on-campus Co-operative Training program. The Department of Commerce had arranged a three-week Certificate Program in Tally in January 2019. This program also enhances their chances of employment. The Outcome and Conclusions • Tally Program and Co-operative Training received good response from the stake holders as it ensured employability. The Institution is exploring to continue with the Program as a value-added course. • It was observed that the use of ICT in Teaching and Learning had resulted in a positive qualitative change in terms of the students' comprehension and interest in the respective topics. The students became more articulate and participative. • Those students, who had attended the on-campus Co-operative Training and Tally Program, fared better and many of them secured First Class at the B Com Sem 6 University examinations. • The extensive use of ICT in Teaching and Learning has brought about a positive qualitative change in the learners' interactions, comprehension and performance. • The extensive use of ICT has not only enhanced the learners' overall comprehension and performance at the examinations but also opened the vistas to trace resources for the study materials for the next level. • The learners also find the online resources quite helpful.
